

## Summer Camp Guidelines 2021

### **Carpool Drop-off and Pick-up**

Parents will drop-off and pick-up in the carpool line at the West Porte-Cochere.

Drop-off is 8:45-9:00 a.m. and pick-up is 12:30-12:45 p.m.

Please follow the PreK/Kindergarten carpool route by entering the carpool line from Lomo Alto.

At pick-up, an SMES teacher or staff member will assist getting your child into the car. Parents will pull forward to the buckle zone along the basket ball court and field area to park and buckle their child.

If you arrive after 9:00 a.m. or need to pick-up earlier than 12:30 p.m., please park and walk your child/pick up your child at the West Porte-Cochere main entrance.

### **Ascend Base Camp Health Screening Tool**

You must log into this tool daily, enter your child's temperature, and answer the questions prior to arriving at camp. Please have your screen ready to show SMES staff during carpool drop-off. A staff member will check your child's temperature upon arrival.

If you are newly enrolled at SMES, you will be sent an email to setup your Ascend account.

### **COVID-19 Protocols and Resources**

Summer Camps will be following the [SMES 2020-2021 COVID-19 Pandemic Protocols](#).

### **What to Send**

Campers will need to bring a water bottle and a lunch each day.

For campers who are not potty trained, please send at least 3 diapers per day, labeled with their name.

Accidents can happen at any time and sending an extra change of clothes is recommended for ALL ages in our camps. If a child has an accident and does not have a change of clothes, parents will be called to pick up their child immediately.

Please LABEL all items and personal belongings.

### **What to Wear**

Campers will spend at least 30 minutes outdoors each morning. Please apply sunscreen and bug spray at home, as needed.

Tennis shoes are best for children on our playgrounds! Do not send your child in flip flops or rain boots.

### **Refunds**

You will be issued a full refund in the event that SMES cancels any week(s) of camp.
